Metal Gear

By Jonathan Vatner

Wallets are an awfully personal item, but the Ogon metal wallet could be useful no matter who's receiving it -- and it's female-friendly, too. The lightweight aluminum case has seven pockets for cards or cash, and it can be easily engraved. Wallets cost about \$40 and are available online, including [here](#). For large orders, call CH Marketing (877-246-2758; chmarketingllc.com).
